Honorable Robert C. Hill  
American Ambassador  
Mexico, D.F., Mexico

Dear Bob:

Some very good friends of mine, the Livermores, are coming to Mexico City, leaving here on the 15th of this month. They may possibly drop in on you and if they should, I would appreciate any courtesy you might extend to them. I do not think they will impose on you then and we realize with the important visit pending, you have your hands full.

With all kindest regards, I remain

Sincerely yours,

AWD/c
